

# 2012 ProAutoSports Championship Race Series Trophy Program

For our 20<sup>th</sup> racing season, we have designed a plaque trophy that we hope will be a great show piece for your racing season. Competitors in the three race groups (Open Wheeled, Closed Wheeled & Karts) will receive placards instead of trophies at each ProAutoSports sanctioned race. There are two sanctioned races per event weekend, one Saturday and one Sunday.

Once the competitor has run 6 sanctioned races, they will receive the commemorative plaque that they can then attach the placards to.

At the end of the year, the top 3 competitors in each class will receive a large overall placard that can be attached to the bottom of the plaque.

Competitors can purchase the plaque trophy directly without running the required number of events. If you are interested, please contact the ProAutoSports office or email us at:

[racing@proautosports.com](mailto:racing@proautosports.com)

**Individual Placard**

## We hope you have a fun, safe & successful racing season!
