

ARRIVE 'N' DRIVE UPDATE!

It's the only track weekend at Wild Horse Pass East this fall! Track car out of commission? Want to try something different? Rent a Mazda from us!

For New Member Orientation or front-wheel drive experience in Red or Orange street groups, try Kermit, our Mazda2! For this weekend only, New Member special – car rental (includes all track support, fuel & suitable tires), New Member Orientation class & 4 on-track sessions, and professional driving coach all for only \$325.00.

For already-members, daily rental is \$250.00. Want to add Time Trials sessions? Add \$125.00/day all-inclusive. (Time Trials not available to New Members – sorry.)

The weather this weekend should be good, or at least better than all summer. Don't have a helmet? Not to worry – ProAutoSports has brand-new helmets available for rent – headsock for you to keep included.

Our teen driver has been running Kermit in Time Trials all year in TT4, and is leading in points! Rent Kermit & see if you can beat his lap times!

To discuss daily availability, call Carolyn at (575) 640-7736 or Ryal at (520) 301-1728, or e-mail gmonster57@aol.com.
